Finding your bus stop and bus

Mountain Transit buses pickup and drop off passengers only at designated bus stops.

Arrive at your stop 5 minutes before the scheduled departure time.

Route numbers are displayed on the top-front, and passenger-side window of the bus. If in doubt, just ask the driver.

Realtime Arrival Info

Download the Doublemap app to see exactly where your bus is and when it will arrive. Select "Mountain Transit" as your system to see nearby route options and departures.
